Titebond Solvent-Free Construction Adhesive

Product # 15007471

DESCRIPTION

Titebond solvent-free construction adhesive offers superior strength and all-purpose versatility. Safe to use, this adhesive is ideal for all common building materials including trim, paneling, drywall, foamboard, tub surrounds, plastics, metal, masonry and wet, frozen and treated lumber.

Titebond Solvent Free is environmentally superior and contains no ozone-depleting chemicals. Unlike solvent-based adhesives, it is nonflammable, emits no harmful fumes, and cleans up with water.

ADVANTAGES AND BENEFITS

- Environmentally safe, contains no solvents. - Cleans easily with water in wet state. - Highly water-resistant when dry. - Offers freeze/thaw stability. - Bonds wood, paneling, plywood, wet and frozen lumber, metal, plastics, and more. - Exceeds the requirements of the APA's AFG-01 specification and ASTM C557.

TECHNICAL SPECIFICATIONS

Product #	15007471
Volume	10.5 oz
Base	Polymer
Finish/Color	Beige
Brand	Titebond®
Foams when Drying	No
