

Classic Earplugs

Product # 9609217

DESCRIPTION

The first earplugs in the world still remain the most popular today.

ADVANTAGES AND BENEFITS

- Slow-recovery foam helps ensure comfort and minimize pressure. - Bright yellow color provides a quick visual compliance check. - Dermatologically safe foam is non-irritating, nonflammable, and moisture-resistant. - Moisture Resistant: Helps reduce moving and shifting problems when used in moist environments. - Reduced Pressure: Lower equilibrium pressure than many competitive earplugs. - Flame Retardant: Important for storage considerations. - ANSI S3.19-1974; CSA Class AL - NRR: 29dB

TECHNICAL SPECIFICATIONS

Product #	9609217
NRR Rating	29 dB
Shape	Cylindrical
Type	Foam Earplugs
Brand	3M
