

Pour-N-Wipe Finish Product

Product # M6033016

DESCRIPTION

An alternative to brush or spray finishing, this is a very versatile product with applications in finishing, refinishing and restoration work. It produces a satin sheen, protects wood against alcohol and water staining, and is very mar-resistant.

- Wipes on as easily as furniture polish!
- Provides a tough, alcohol-resistant polyurethane finish.
- Apply with a cloth or squeegee on large surfaces.
- Pour-N-Wipe finish is self-sealing.
