

## Danish Oil

**Product #** M7001507

### DESCRIPTION

Produces a natural oil finish. Fast and easy to use: just wipe on, let penetrate, and wipe dry. Polymerized wood finish combines penetrating oils with resins to produce a natural oil finish on unfinished wood. One application seals and finishes wood. Never gums up in warm temperatures. Will not print and is non-greasy.

Water spots, stains, burns and scratches can be removed easily by buffing with 4/0 steel wool and Danish Oil.
