

Latex Wood Filler

Product # WP40042148

Volume 6 oz

Color White Pine

DESCRIPTION

- Easy application: this water-based latex formula wood filler requires no mixing. It spreads smoothly and evenly into small or large holes and cracks in unfinished wood.
- Indoor/outdoor use: Famowood water-based latex formula wood filler may be used indoors or out, making it ideal for custom projects.

ADVANTAGES AND BENEFITS

- Fast drying time: dries in 15 minutes. Once dry, the filler acts just like real wood and is ready to sand, saw, stain, nail, paint, or plane.
- High solid content: Takes stains and paints like real wood because it's made with real wood.
- Minimal shrinking: Stronger than the wood it replaces, with no signs of shrinkage, cracking, or crumbling.
- Safe: Non-flammable and free of solvent fumes, this product meets growing consumer demand for a product that has little or no impact on the environment, yet maintains the qualities of our time-tested solvent-based products.
- Easy cleanup: Simply clean tools with soap and water.
