DESCRIPTION

Des bâtonnets semi-durs servant à remplir des entailles, des égratignures ou des joints ouverts. Peuvent être protégés avec un aérosol « Tone Finish » ou toute autre couche de finition. Aucune chaleur ni outil spécial n'est requis; il n'y a qu'à frotter pour appliquer, puis essuyer.

Pour les ensembles de couleurs :

* Pour la liste des couleurs comprises dans l'ensemble - appuyez sur "Charte de Couleur" dans la section Documents Techniques
